Old Business:

Provincial Review: A suggestion was made to make a gate along the finish line through the fencing to the skate park to filter traffic from finish line getting congested with those in staging. A suggestion to have garbage cans and recycling cans labelled better to lessen the amount of garbage in the recycling bins. A suggestion to make thank you certificates to those who donated to the provincial. The money booth was a HUGE success – well liked!! Big thank you to Lafarge for coming and helping prepare the track for the provincial. A suggestion to have more food variety next time – which also means more volunteers/commitment PRIOR to the event.

New Business:

Integrity Wheels Race Dates: will be Thursday August 14th

Hurricane Alley: no contact with Medicine Hat yet so no date set yet. Darren will make contact in regards to this.

Phone: Clubhouse phone costs \$56 a month year round – a LOT of money to spend for the few calls that we get. Would save us over \$600 a year. Darren made a motion that we eliminate the phone and open up online registration. Sherry seconded the motion – all in favour.

New Rider/Parent Meeting: It was suggested that there be a new rider parent meeting to assist the new parents with knowing what BMX is all about. To answer any questions the parents may have. To inform parents of volunteer opportunities/rules of the track/volunteer necessities on the track, etc. On July 23rd – John will run a parent meeting night. Another suggestion was to host a 'bike repair' clinic with the riders.

Meeting adjourned by John L at 8:53pm
Next meeting will be August 12th 8pm BMX clubhouse
