Additions and Deletions:

Approval of Agenda:

Treasurers Report: The Treasurers report was presented and information can be found in the Secretary's binder. Approval of Treasurers Report made by Kyle V and Seconded by Rob K. All in favor.

Old Business:

MEGA 50/50 – Should be printed shortly – the proof for the tickets has been approved. John will pick up by Monday. \$10 off coupon on the back of the tickets.

LOANER BIKES – They are purchased and are at the track.

FENCE REPAIR AND ADDITION OF GATE AT NORTH EAST CORNER – Kyle found a gate to use and it is at the track and ready to be installed.

CASINO DATES – Sept. 16th and 17th – we will need 15 volunteers. John contacted Bent to be our advisor but has not heard back yet.

JERSEYS/JACKETS – Jerseys – Darren was supposed to contact Troy but hasn't been able to. Have not heard back about Lafarge yet either. Darren provided a sample of what our jackets will look like this year. They will be \$75 each and they will be pre-order only. They are a cycling jacket.

WAYS TO CONTACT PARENTS TO LET THEM KNOW ABOUT EVENTS, WORKBEES, ETC. – Darren looked in to this and is pretty sure that there is a program that we will be able to use for free. The only thing is that those who want to be notified will be required to pre-register in the program.

TRACK MAINTENANCE – Will change a few areas of the track for this coming year. Will need to get more dirt from Lafarge and we possibly have Mike H coming to assist. Will start track prep the last week of April as that is the earliest we can get the water turned on at the track.
