OLD BUSINESS

Advertising – This has not yet started but is planned and will happen in a few months.

Greg Hill Clinic – This is booked and advertised. Entries are coming in already. The date for the camp is June 3/4 2017.

Track Refresh – This will happen in the spring once we are able to get on the track.

NEW BUSINESS

2017 Jerseys – Darren completed a design for new 2017 jerseys. Darren will do a few more designs playing around with the colors on the jersey.

Municipal Grant – Application deadline is April 28th at 4:30pm. We are eligible for the grant. Matt made a motion to apply for the Community Capital Project Grant and Sherri seconded the motion. Deb will go ahead with the application process.

Gate – Scott Grenier is ready to go ahead with the building of the new gate. John and Scott will go to the track once some snow has melted to measure our available space to confirm sizing and then begin the building. He has said that we will need a crane to install the gate as it will not be built in pieces. We need to determine if the gate will or will not need a nose and the work required with the installation. ie: concrete work or asphalt.

First Aid – Janine will check with Kelly on dates and prices that she has available. 5 Re-certs and 3 new (3 are expired and one would be brand new). Janine will update at the next meeting.

Alberta Bicycle Female Development – A grant is being offered to encourage females to join organized cycling. We need to provide a proposal for the grant. An idea is doing a professional commercial

advertising girls in BMX – this could be run province wide. Deadline for the grant application is February 28th. Darren will take care of applying for this grant.

Commissaire course – This has been booked for March 19th and costs \$40 – you pay for the registration yourself and will be reimbursed by Lethbridge BMX once you attend.

Meeting adjourned at 8:00 pm

Next meeting scheduled for March 7, 2016
