OLD BUSINESS

Maris Camp – Camp is well under way – all 12 and older are almost sold out. Currently only 3 spots left. 11 and under still has many openings. Maris is interested in doing a second camp and spending a whole week in Lethbridge to do 2 camp weekends and then have time to hang out at the track during the week. We will do some advertising for the second camp in hopes of making this happen.

Soil Tac – Soil Tac is in storage. Matt is looking in to the pump that froze and cracked to see if we can get it replaced.

2018 Provincial – Steve and Chantale are offering to handle food for the provincial. Chantale created and presented a menu proposal for the weekend as well as all equipment needed and number of volunteers required. Chantale will come to our next meeting with some pricing details.

NEW BUSINESS

STEP Program – This is a government employment program that used to exist and is being brought back again this year – it is specifically for non-profit organizations. Darren is going to apply for this for us for the summer – it would mean that we would be able to have a ‘hired’ student at the track for the summer and they would be paid by the government.

Meeting adjourned at 8:19 pm

Next meeting scheduled for February 6, 2017
