**Old Business**

Covid 19 is still happening, and we are still screwed. No other information Darren's guess is the beginning of the year is going to be delayed and the first part of the year is going to be similar as to last year and all we can do is open track. As soon as we are aloud to do some sort of racing if it involves cohorts, we are going to try and do what we can. Possibility of 10 and under on one day and 11 and over on another day for example. Likely will not have coaching if we must do cohorts. But if we can make it work, we will.

Online booking to get signed in for BMX.

Schedule- Keep the same as every year with a little modification.

Monday – Wed – Coaching – If we can

Tues – Thursday – Racing – If we can

Sunday- Open Track

Saturday – Unscheduled open track – Lead by a board member

Darren wants to step back a bit and eliminate 1 open track day (Saturday) A board member can open it and have an unscheduled optional day. – All in agreeance.

First weekend of May opening weekend.

**New Business**

Linsey Mabie - Add to next meeting – Advertising funds

Darren adjourned the meeting at 7:15 pm
