### NEW BUSINESS

Concrete gate repair will be donated by Lafarge work will be done by Luke Schmidtler.

Need a new track operator Laptop Erin motioned to spend up to \$1200 , seconded by Sherri. All in favor.

Darren spoke about asphalt work in the corners some holes will be filled and make them seamless.

YAY NO MORE COVID RULES ... Lethbridge BMX is OPEN FOR SUMMER!! 🌞

With the removal of restrictions by the Alberta Government, Lethbridge BMX is changing too! Here's how!

- ✓ Social Distancing is no longer required, however please respect the wishes of those that continue to practice this Public Health measure.
- ✓ We do not have any capacity limits. Tell your friends to come watch so they want to join!
- ✓ Sunday Open Track session will still be our free one-time trial day. No sign up is required.
- ✓ We have removed all Health Check requirements.
- ✓ We no longer require sign up on Cycle Club for Open Track sessions.

- ✓ We will continue to use Cycle Club for coaching as we found that understanding who and how many were coming allowed us to fine tune and tailor coaching sessions.
- ✓ Race Registration will continue to be done ONLINE ONLY. No on-site registration. Online registration helped us build motos more effectively and gets us racing on time.
- ✓ We will start posting motos again instead of announcing them. (No bikes at the moto board please :-) )
- ✓ We are resuming handing out stickers at the end of racing to those who want one. You can also pick up stickers for the races you've already attended.

SANDBOXES- can now be opened. Chris will bring new sand. Will take open up boxes remove old sand and re fill..
