### New business

- St. Albert Supercross – big presentation at the meeting. Project to build super cross track at st albert probably will start construction next year. An new non profit organization has been created for it. Total project half a million dollars. Need to raise a couple hundred thousand dollars. Alberta bmx has created a fund to build a super cross track. Asking tracks to donate cash to it. Asking Lethbridge bmx for \$3500 to \$5000 dollars towards the Super cross track.
- Donating \$5000 Kylar motioned that we donate 5000 to St Albert Super Cross track seconded by Richard Petrik – all in favor
- Need to buy soil tac still and other tracks will split a pallet of soil tac.
- Other expenses would be to repair corners
- Year-End awards (Crash Test Dummies) – voted!!
