Approval of agenda

Treasurers Report:

Not available- treasure not present

Old Business:

- Hurricane Alley: low Lethbridge attendance in medicine hat. Successful day otherwise. Good turnout from Medicine Hat.
 - Once we know provincial dates, we will plan dates for next year. Pick a date and back up date
- Skate Park: out for tender. Supposed to be completed by winter. Petition and news started against demolition has not swayed city decision.

New Business:

- Trophies: make decision on trophy style. "Olympia plastic cup" will come in gold, silver, bronze. Classic will be back up option.
 - John will also order plates for trophy race trophies
- Crash Test Dummies:
 - Male crash test: Gully, Allan, Richard, Taivan, Lukas, Lincoln, Bridger
 - Female crash test: Jozie
- AGM: Oct 18 at Seniors Centre. Potluck style.
 - Oct 18 is also Alberta BMX AGM in Calgary.
 - Michelle to pick up trophies on Oct 17, Kylar will bring track trophies to track
- Open track reduced to 730 for the next 2 weeks and then BMX is done for the season.

Jerseys next year:

- open up jersey to order at the start of the season

General discussion:

- AB BMX AGM—
 - will general memberships be discussed? Lost a significant amount of members
 - will more transponders be ordered?

Discussion on ways to increase our membership

More advertising? Physical copies to schools?

Are there more tradeshow to go to? Sportsfest has been slow.

How do we get more exposure?

Bo suggested having the track "open" more. More "openness" attracts more members. More work bees needed.

Discussion for next season: Air Quality cancellations. Make policy more clear.

Next year, more work bees to keep track in good condition
